## Product Description

The 3-strand thick training rope is made using a highly durable polyester blend that is wear-resistant to prevent fraying even when used outdoors, with a high tensile strength that prevents the breakage experienced with other products.
PROVIDES GREAT GRIP: We've fitted the undulation fitness rope with heat shrink caps at the ends that not only prevent it from unraveling, but also offer unmatched grip. The 7-inch waterproof grips allow you to work out even without gloves
LONGEVITY-The heavy duty nylon sheath cover is an added protection to from breakage and fraying leading to 2-3X longer life than those with out a cover.
Size: 50 feet long, 1.5 inch thick. Weight: 31lbs approx.
EASY TO STORE: You can easily roll up the CF rope for storage when not in use. The flexible design also makes for convenient portability, allowing you to take your power rope to the gym, park or beach.
