Dumbbell Features

1)Rubber encased heads: This kind dumbbell will minmize noise, wear and tear on dumbbell themselves and damage to floor.
2)Chrome handle, easy and comfortable to grip.
3)Steel pins keep handle from seperating from heads.
4)6 sides hex design prevents from rolling off benches or others.
5)Dumbbell racks are available.

What separates our rubber hex dumbbell from others?

1)Virgin rubber: This rubber is long lasting and will not dry out like recycled rubber.
2)Safty: Our unique design attaches cast iron heads to handles. Low quality dumbbells only glue heads to steel handles, if drops repeatedly, it's easy to separate.
3)Small odor: Low quality hex dumbbell can be made with toxic fillers, then the room will be fill with naxious odors quickly. our rubber hex dumbbell is an ideal choice without ventilation.
