Product Description

XYSFITNESS Patella band, made with high-quality materials, lasts longer, durable and provides good support for the knee. Built-in comfortable silicone padding provides patella support, and the soft neoprene strap is adjustable with a hook-and-loop strap to fit up to 18 feet, adjusting to your individual knee curve. At the same time, the hexagonal ventilation holes are reinforced to make it more comfortable to wear, stabilize the knee and keep away from any potential knee injury.
