

## Product Description

The YYSFitness [Heavy Duty Free Standing Rack](#) is perfect for any professional or at home gym. This rack will not give way or back down. You will notice right away how every piece is heavy and solid. This [free standing fitness rack](#) perfect for dips, bench press, curls, [pull up fitness exercise](#), and much more training.

The pre-drilled holes follow the "West Side" hold pattern allowing you to move the bar up or down in just 1" increments when using a bench. The weight tree attachments, J-hooks, and Spotter Arms are all included and are easily installed.

The bolt-together construction allows you to easily transport and fit this [originality pull up CF rack](#) in to any room or basement! For safety reasons, we recommend bolting this rack to the floor.
