Commercial quality kettlebell coated with glossy urethane. Urethane is the most durable, odorless, longest-lasting coating available today. It is abrasion, sunlight, and heat resistant. These kettlebell have the most easy-to-grip rounded handles . We supply customize wholesale export product.

The weight lettering isn't just painted on the surface. The white is part of the urethane and will not wear off even if they are exposed to lots of abrasion. This is what you see in the highest quality kettlebell.

Packaging&Shippment

As your requirement or usuall package.

1: First each kettlebell into a plastic bag.

2: Then into a carton while use foam board to fix the space between the kettlebell and the carton.

3: At last several cartons into a wood box.

Shippment: Liner Transport orShipping by Chartering orContainer Transport.
