Related Products

Powder coated kettlebell

Marked in both kilograms and pounds for convenience. With a machined flat bottom designed for renegade rows, kettlebell push ups, and other exercises requiring a stable platform.

Rubber kettlebell

Rubber coated kettlebell allows you to workout on a wider array of surfaces without damage and gentle on floors. Kettle bell workouts engage multiple muscle groups at once, making Kettlebells a great option for getting a whole body workout in a short time.

Kettlebell rack

Help keep kettlebells organized and easily accessible. Made from commercial-grade steel, its durable frame can withstand heavy loads while resisting damage from intensive use over time.

Our Company

Shandong Xingya Sports Fitness Inc is a professional exercise equipment enterprise for development, production and sales of dumbbells, barbells, kettlebell, mats, racks and other rubbercoated and dipping products.
