

Product Description

With [the XYSFitness Rowing Machine](#), your possibilities are endless - at least when it comes to your arm movement. The rowing arms strengthen your arms, shoulders and back while the push-off engages your legs and glutes. In the midst of this already [effective workout](#), you'll also improve your [cardiovascular fitness](#). Plus, you'll be rowing in comfort with the molded seat and tablet holder.

There is no need to waste money on a membership to a crowded gym When you can get a Great workout right in your own home . You will know you are making progress by the real time feedback from the [multi-function monitor](#) that provides time, stroke count, total stroke count, calories burned and a scan function.
