FAQ

Q1 : Can I negotiate the prices ?

A1: Yes , we may launch some promotion that more discount would be granted sometimes .

We may grant discount for FCL of mixed products or bulk orders of individual products .

Q2 : What is the minimum order quantity ?

A2 : We can accept small orders , prices will be higher , though .

Q3 : If we don't have any shipping forwarder in China , could you do this for us ?

A3 : We have shipping department , you will get the best shipping price , and have excellent service .

Q4 : I never come to China before , can you become my guide in China ?

A4: We will book the hotel for you in advance , and arrange our driver to pick you up from airport to our company ,

if you want to visit the market or factory , we can arrange our colleague to be your assistant.
