The size of the sphere of the massage hemisphere.

How to inflate the peanut ball?

- 1) Find the hole on the sphere of the massage hemisphere;
- 2) Insert the pump needle into the small inflation hole; Carefully insert the needle at a slight angle 10-70 into the valve.
- 3) Make sure the needle is completely inserted into the hole, otherwise it could be very difficult to inflate the sphere of the massage hemisphere.

4) Stop inflation when the ball for balance operation reaches the level of the sign. Do not over inflate.

A delicate inflator is also necessary for the sphere of the massage hemisphere.

The hemispherical colored ball is a dispensation in your life.
