Product Description

PU [dumbbell](#) product is

Made from super tough

PolyUrethane for

Commercial environment

Be wrapped with

environmentally

friendly PU which is

Odourless and smellless.

As PU dumbbell wholesalers, we offer customizable products such as logo, color and size.

PU product is wear-resistant and can be used for a long time without damage.

PU product can be used to avoid damage to the user or the floor of the gym.

The PU Dumbbell doesn't tear all his life so it is suitable to be used as

commercial fitness equipment.

The weight mark can be made into kg or pound.

A variety of specifications can be chosen.

PU dumbbell uses electroplated hobbing handle to prevent skidding.

As the picture shows, our
factory offer a variety of
Pu dumbbell. Anyone
you want or any details
